

12. 4. 38.

Dear Sir

I have been to your letter of
4th inst. which was kindly received, and
I were pleased to learn the big meeting
were a success and I am sure it would
be here at Grafton if I had now Sir
as regards obtaining addresses of interest-
ing members the rather hard, you see
I know no one here personally and
so to obtain their support but only
from the one in a hundred here who
like myself want a scheme started
where the Irish can unite not drift
away from each other and if it were
done I am sure many members could be
obtained, the only way I can suggest
(if I may) is a few weeks ago you published
in "Cook's Examiner" the starting of new branches
in different places, why not publish again
that members are wanted from Grafton and
around and ask the 10 former addresses
to yourself or to 14 addresses during
April and May at the end of May.

I could forgive all I have
 just inst. some patriotism of Ireland
 fight for freedom failing that I affirm
 I can only offer my services as
 a member of Anti Partition
 which I see to great effect to do
 in defence of the land and freedom
 so I believe hoping soon that it
 can be seen that Graydon is interested
 but its hard to write you see
 But I am sure Cork Examiner is
 worthy of a trial in effort of
 calling members to rally to the Anti
 Partition League and we pray
 it succeeds. which we are sure
 of if given support from Ireland
 & this thanking you for your past
 letter I wish to remain

Yours. I respectably
 A. Snell.
